

Disappear for a while

G6

Let my kisses rain

Down like silk

D7

Let our spit and sweat

Mingle into one

G6

Let it form a stream of union

D7 **G6**

That would always run forever on

A5

It would have no start and know no end

A5

It would have no start and know no end

D **A5**

All on a misty morning

D7 **A5**

I come to with love

D **A5**

All on a misty morning

G **F** **C** **A5**

I come to you, I come to you with love
