

**Brand New Start**  
**Paul Weller**

Song: Brand New Start  
Artist: Paul Weller  
Album: Modern Classics (1998)  
Tabbed By: Dan Porter

I couldn't find a good acoustic chord tab for this anywhere so I've tried my best to this from Weller's performances I have on DVD.

This is my first tab and I haven't even been playing a year yet, so please feel free to and give feedback.
