To the world that lies before

But he canâ€™t hear my sound
G **E+/to E**
Heâ€™s much too in tune with the ground
F **G** **C** **Am**
He sees only the tide and the surf and the sea
F **G** **Am** **E**
Heâ€™s oblivious to me calling

Am **C** **G** **E+/to E**
In years to come I will still call him son
Am **C**
Heâ€™ll have no time to wait
G **E+/to E**
He must see beyond his fate
F **G** **C** **Am**
Heâ€™ll say only the sun and the wind make him free
F **G** **Am** **E**
His only defence will always be

Why walk when you can run

To look life in the eyes
