[Em]Our love, is an [C]old love baby
It s [Em]older than all our [C]years
I ve seen in [Am]fresh young eyes, familiar [Bm]tears

We re [Em]old souls, in a [C]new life baby
They gave us a [Em]new life, to live and [C]learn
A chance to touch [Am]old friends, and still re[Bm]turn

{start_of_chorus}
[Em]Our paths have crossed and parted
[C]This love affair was started [Am]looong, long [Bm]ago
[Em]Our love survives the ages, [C]in its story lives are pages
[Am]Fill them up, may ours turn [Bm]slow

[Em]Our love, is a [C]strong love baby
[Em]Give it all, and still re[C]ceive
And so with [Am]empty arms we must still be[Bm]lieve
