B C#m

[Verse]

B

Caught up in your wheelin dealin

C#m

you ve got no time left for simple feelin .

E

F#

B

I thought I knew you but I didn t know you at all.

B

Trapped inside your world of worry

C#m

you miss so much when you always hurry.

E

F#

B

Well slow down baby, you ll only get hurt if you fall.

[Pre-Chorus]

B

C#m

Well you told me one time that you d be somebody,

D#m

that you weren t workin just to survive

Em

but you re workin so hard

C

B

that you don t even know you re alive.

[Chorus]

Em

C

Workin so hard to be somebody special,

Em

C

not working just to survive.

Dm

Well you re special to me babe, but what I don t see babe,

C

B

is where you go once you arrive, where we go once we arrive.

[Verse]

B

Damn all evil that takes possession

C#m

Until your pipe dreams become obsessions

E

F#

B

They scare me baby, and we should have nothing to fear

B

I m no child, but I can t help wonder

C#m

It seems like some kind of spell you re under

E

F#

B

You re listenin baby, but somehow you don t really hear

[Pre-Chorus]

B

C#m

Well you told me one time that you d be somebody,

D#m

that you weren t workin just to survive

Em

but you re workin so hard

C

B

that you don t even know you re alive.

[Chorus]

Em

C

Workin so hard to be somebody special,

Em

C

not working just to survive.

Dm

Well you re special to me babe, but what I don t see babe,

C

B

is where you go once you arrive, where we go once we arrive.
