

The Hell Of It
Paul Williams

THE HELL OF IT
(Paul Williams)
-From the Phantom of the Paradise soundtrack.

E
Roll on thunder, shine on lightning
Am
The days are long and the nights are frightenin
C
Nothing matters anyway,
G D Am
And that s the hell of it.

E
Winter comes and the winds blew colder
Am
While some grew wiser, you just grew older
C
And you never listened anyway,
G D Am
And that s the hell of it.

G
Good for nothing, bad in bed
G
Nobody likes you and you re better off dead
C E C
Goodbye (Goodbye!), we ve all come to say goodbye (Goodbye!),
E
Goodbye (Goodbye!).

G
Born defeated, died in vain
G
Super-destructive, you were hooked on pain
C E
Though your music lingers on
C E
All of us are glad you re gone

Bm C G
If I could live my life half as worthlessly as you
Bm C E D Am
I m convinced that I d wind up burning too.

E

Love yourself as you loved no other

Am

Be no man's fool and be no man's brother

C

G

We're all born to die alone, you know, that's the hell of it.

E

Life's a game where they're bound to beat you

Am

And time's a trick it can turn to cheat you

C

And we only waste it anyway,

G

And that's the hell of it.

I think it was a shame that this song wasn't yet in UG, so, though I'm an awful guitar player (and, as you can see, an awful English speaker as well), I tried to

get the chords...

And, well, here it is, my first tab. Don't be rough, I M A BABY!

As you'll see, it's easy as hell, so...

Enjoy (if you can).
