Paul Young

Lyrics With Performers
(Paul Young)
```
C                F    G
```
It s Christmas time
```
                        C
```
There s no need to be afraid
```
            F      G
```
At Christmas time
```
                        C
```
We let in light and we banish shade
(Boy George)
```
            F      G
```
And in our world of plenty
```
        C                F
```
We can spread a smile of joy
```
                            G
```
Throw your arms around the world
```
                C
```
At Christmas time

(George Michael)
```
            F      G
```
But say a prayer
```
                C
```
Pray for the other ones
```
            F      G
```
At Christmas time it s hard
(Simon LeBon)
```
                    C
```
But when you re having fun
```
            F                G
```
There s a world outside your window

(Sting)
```
                C                F
```
And it s a world of dread and fear
```
                    G
```
Where the only water flowing is
(Bono joins in)
```
    C                F
```
The bitter sting of tears
```
                            G
```
And the Christmas bells that are ringing
```
        C                F
```
Are clanging chimes of doom
```
                                    G                C
```
(Bono only) Well, tonight thank God it s them instead of you.
