

**Aint Never Gonna Give You Up**  
**Paula Abdul**

This is my first tab .. I m very sorry if I made mistakes.

Capo : 3rd fret .

whole song : **C** and **F**

**C** **F** **C**  
Well there s not a bit of truth in what you hear  
**C** **F** **C** .. (and you get the point).  
Just a whole lot of jealousy out there smearin  
My good name all over the place  
Just to get you thinkin that I m -- two faced

But I would never go south  
I was never dreamin of anybody else  
You re the only one I d ever be with  
I got a whole lot to say but babe the truth is

Ain t never gonna give you up  
Ain t never gonna let you down babe  
Ain t never gonna give you up  
Hey hey hey hey  
Yea yea yea  
Ain t never gonna give you up  
Yea yea yea  
Ain t never gonna let you down

I wanna be right there for you so don t  
Believe another word cause all of these low --  
girls  
Only wanna put the split between us  
They keep getting off on all -- the fuss

But I will always treat you  
Just the way I always promised I d do  
You re the only one I d ever be with  
I got a whole lot to say but babe the truth is

[Chorus]

Baby don t you know that I want to be with you

[Chorus]
