

Fallen

Paula Fernandes

(capo 2ª casa)

(intro) **Am**

Am

Heaven bent to take my hand

F

C

And lead me through the fire

G

Am

Be the long awaited answer

F

C

To a long and painful fight

Am

Truth be told I ve tried my best

F

C

But somewhere along the way

Am

Em

F

I got caught up in all there was to offer

Am

Em

F

And the cost was so much more than I could bear

Dm

F

Though I ve tried, I ve fallen...

C

G

I have sunk so low

Dm

F

I have messed up

C

G

Better I should know

Dm

F

So don t come round here

C

G

D

F E E7

And tell me I told you so...

Am

We all begin with good intent

F

C

Love was raw and young

G

Am

We believed that we could change ourselves

F

C

The past could be undone

Am

But we carry on our backs the burden

F

C

Time always reveals

G

Am

The lonely light of morning

The wound that would not heal
It s the bitter taste of losing everything
That I have held so dear I fallen? tell me I told you so...
No oh oh oh

(refrão)

Heaven bent to take my hand
At Nowhere left to turn
I m lost to those I thought were friends
To everyone I know
Oh they turned their heads embarrassed
Pretend that they don t see
But it s one missed step
You ll slip before you know it
And there doesn t seem a way to be redeemed

(refrão)
