( **C Am Em F G** )

**C Am Em**  
Understand the things I say,  
**F G**  
Don t turn away from me  
**C Am Em**  
Cause I spent half my life out there  
**F G**  
You wouldn t disagree  
**C Am**  
D you see me, d you see  
**Em F G**  
Do you like me, do you like me standing there  
**C Am**  
D you notice, d you know  
**Em F**  
Do you see me, do you see me  
**G**  
Does anyone care  
**C Am Em**  
Unhappiness, where s when I was young  
**F G**  
And we didn t give a damn  
**C Am**  
Cause you were raised  
**Em F G**  
To see life as fun and take it if we can  
**C Am Em**  
My mother, my mother she hold me,  
**F G**  
Did she hold me when I was out there  
**C Am Em**  
My father, my father, he liked me  
**F G**  
Oh he liked me, does anyone care  
**C Am Em**

Understand what I've become,

**F G**

It wasn't my design

**C Am**

And people everywhere think

**Em F G**

Something better than I am,

**C Am**

But I miss you. I miss

**Em F**

Cause I liked it, cause I liked it

**G**

When I was out there

**C Am**

Did you know this, did you know

**Em F**

You did not find me, you did not find

**G**

Does anyone care
