D A
Said, woman, take it slow
D F#
It ll work itself out fine
D A E D
All we need is just a little patience
A
Said, sugar, make it slow
D F#
And we come together fine
D A E
All we need is just a little patience

I sit here on the stairs
Cause I d rather be alone
If I can t have you right now I ll wait, dear
Sometimes I get so tense
But I can t speed up the time
But you know, love there s one more thing to consider

Said, woman, take it slow
And things will be just fine
You and I ll just use a little patience
Said, sugar, take the time
Cause the lights are shining bright
You and I ve got what it takes to make it, we won t fake it
