Run from the pigs, the fuzz, the cops, the heat,

Pass me your gloves, there's crime and it's never complete,

until you snort it up or shoot it down,
you re never gonna feel free

Out on my skateboard, the night is just hummin ,
the gumsmacks are the pulse I ll follow, and if my walkman
fades,
I got absolutely no one, no one but my self to blame.

[Verse]

Out on tour with the smashing pumpkins,
nature kids, I, they don t have no function,
I don t understand what they mean,
and I could really give a fuck.

Stone temple pilots, the elegant bachelors,
they re foxy to me are they foxy to you,
I will agree, it doesn t, absolutely nothin ,
nothin more than me.

Dreamin and dream dream dream dream, etc...
