

## Not Your Cinderella

Payton Rae

Hey Everyone, This is a cute little song by Payton Rae,  
I don't quite know if it is her song but I know she's recorded it and it's just  
really  
fun to sing along to and play.  
I don't think this is 100% accurate but I gave it a go considering it's not  
already on here.  
Have fun playing!!

Versel:

You walk in the room, and all the girls talk
