C#	G#	Fm	D#
From the valley of the jungle, to the bottom of the sea			

C#	G#	Fm	D#
You re a river in Congo, just a hardened ecstasy			

C#	G#	Fm	D#
From the forest of Arden where I reside, blood will be blood			

C#	G#	Fm	D#
Back in Arden you twist, deprive, blood to be..			

C#	D#
You vibe so hard, and if livings forever..	

C#	D#
We spit blood at the sun, we spit blood in the ocean	

C#	D#
We spit blood at the sun, we spit blood in the ocean	

C#	G#	Fm	D#
As we plunge into the ocean the waves they pull us down			

C#	G#	Fm	D#
For a moment i m open, for blood to be...
