## Oceans Eye Peace

Ocean s Eye - Peace

Em (throughout verses)

i can taste it on your breath, it s running through your veins it never seemed so dense, blood don t taste the same i m idlin through the dunes, swallowing the sand slowly starts to bruise, the sun is in your hand

C it seems like everybody s got their own little lie

Em Em

she stole my mind through the ocean s eye

D

and it seems that she only learned to read between the lines Em

across my heart if you hope to die

Em (throughout verse)

i can say it s clear, just ask me what i saw crash in from a window, just open up the door people on the mantelpiece in my ocean s eye i don t want you to be hurt but all you do is cry

C

it seems like everybody s got their own little lie

Em

Em

she stole my mind with the ocean s eye

and it seems that she only learned to read between the lines

across my heart if you hope to die

C G D

it seems like everybody s got their own little lie

she stole my mind with the ocean s eye

C G

and it seems that she only learned to read between the lines

across my heart if you hope to die
