Intro:

C#m A B E -B

Verse 1:

C#m	A
You say good morning, and good evening	
B	E B
The day is done, and you ve come to find	
C#m	A
The words are fleeting, I hear your quiet breathing	
B	E B
Is something wrong?	

C#m	A
You come on two knees, with more than two needs	
B	E B
Finding that it s all too easy	
C#m	A
To be helped and found	
B	pause E B
You slept and he said	

Chorus:

A B C#m E
It is in you, to carry on
A B C#m E
It is in you, to lay down fears that hold
A B E-B-C#m-B-A
It is in you, to find your way home

Verse 2:

C#m	A
Daylight s coming, the sun is blazing	

B **E** **B**
New beginnings seep into you
 C#m **A**
But in the end it s distant shadows
 B **E** **B**
That finally overwhelm your senses

C#m **A**
And this time around
 B **E** **B**
Is it love that you crown?
 C#m **A**
And this time around
 B **E**
You ll be more than who you are

Bridge/Instrumental:

A **E** **B**
Could you find yourself a way home?

i got it from djc and i tried to fix it to make it more simple for guitarist.

Im jerick C.M. I like this song from jubilee project
