Black Live Acoustic - Pearl Jam

[Intro]

Eb, G#, Eb, G#

[Verse]

Eb **G#**
Sheets of empty canvas
Eb **G#**
Untouched sheets of clay
Eb **G#**
Lay spread out before me
Eb
As her body once did
Eb **G#**
All five horizons
Eb
Revolved around her soul
G#
As the earth to the sun
Eb **G#**
Now the air I tasted
Eb
And breathed has taken a turn

[Pre-Chorus]

B **Ebm**
Hnnnnn, and all I taught her was everything
B **Ebm**
Hnnnnn, I know she gave me all that she wore

[Chorus]

C#
And now my bitter hands,
B
Shake beneath clouds
Ebm
Of what was everything
C#
Oh, the pictures

B

Have all been washed in black

Ebm

Tattooed everything

[Verse]

Eb G#

I take a walk outside

Eb G#

I m surrounded by some kids at play

Eb G#

Oh, I can feel their laughter

Eb

So, why do I sear

[Pre-Chorus]

B Ebm

Hmmmm, and twised thoughts that spin round my head, I m spinning, oh

B Ebm

I m spinning, How quick the sun can drop away

[Chorus]

C#

And now my bitter hands

B

Cradle broken glass

Ebm

Of what was everything

C#

All the pictures have

B

All been washed in black

Ebm

Tattooed everything

C#

All the love gone bad

B

Turned my world to black

C#

And tattooed all I see,

B

All that I am,

Ebm

All I ll be

[Break]

C# B Ebm C# B
Yeah Uh huh Uh huh

[Outro]

Ebm
I know someday you ll have a beautiful life,
C# B
I know you ll be a star in somebody elses sky
Ebm C# B
But why, why, why can t it be,
B Ebm C# B
Why can t it be mine

Ebm C# B (ad lib till end)
