Pearl Jam

[Intro] **F C Bb**
F C Bb

F Bb
If I keep holding out will the light shine through under this

F Bb
Broken roof it s only rain that I feel

F
I ve been wishing out the day

Bb C F
Oh oh oh come back

F Bb
I have been planning out all that I d say to you

F Bb
Since you slipped away, know that I still remain true

F
I ve been wishing out the day

C F
Please say that if you had to go now

Bb
I wouldn t have lost you another way

F
From wherever you are

Bb C F
Ohh oh oh come back

Bb C F
And these days they linger on

Bb C F
And in the night I ve been waiting for

Am Bb F
The real possibility that I may meet you in my dreams

C
Then I go to sleep

F Bb
If I don t fall apart will my memory stay clear

F Bb
So you had to go and I had to remain here

F
But the strangest thing today

C F
So far away and yet you feel so close

Bb
And I m not gonna question any other way

F **Bb** **C** **F**
There must be an open door for you to come back

The real possibility that I may meet you in my dreams
