Come Back
Pearl Jam
[Intro] F C Bb
       F C Bb
                                Вb
If I keep holding out will the light shine through under this
                       Bb
Broken roof it s only rain that I feel
I ve been wishing out the day
      C
Oh oh oh come back
I have been planning out all that I d say to you
Since you slipped away, know that I still remain true
I ve been wishing out the day
 Please say that if you had to go now
                 Bb
I wouldn t have lost you another way
From wherever you are
      C
Ohh oh oh come back
           C
 And these days they linger on
             C
 And in the night I ve been waiting for
                 \mathbf{B}\mathbf{b}
Αm
 The real possibility that I may meet you in my dreams
Then I go to sleep
                               Bb
If I don t fall apart will my memory stay clear
                        Вb
So you had to go and I had to remain here
But the strangest thing today
 So far away and yet you feel so close
```

And I m not gonna question any other way
