

Dance Of The Clairvoyants
Pearl Jam

[Intro] **F#m** **D** **F#m** **D** **Bm**

[Primeira Parte]

F#m
Confusing it is

To commotion
D

What love is

To our devotion
F#m
Imperceptibly big

As big as the ocean
D **Bm**
And equally hard to control

F#m
So save your predictions

And burn your assumptions
D
Love is friction

Ripe for comfort
F#m
Endless equations

And tugging persuasions
D
Doors open up

Bm
To interpretation

[Refrão]

D **F#m**
Expecting perfection

E
Leaves a lot to ignore

B7
When the past is the present

D
And the future s no more

F#m

When every tomorrow

E

Is the same as before

(**F#m D**)

[Segunda Parte]

F#m

The looser things get

D

The tighter you become

Bm

The looser things get

Tighter

F#m

Not one man can be

D

Greater than the sun

It s not a negative thought

But positive, positive, positive

F#m

Falling down, not staying down

D

Coulda held me up

Bm

Rather than tearing me down

[Refrão]

D

F#m

Expecting perfection

E

Leaves a lot to ignore

B7

When the past is the present

D

And the future s no more

F#m

When every tomorrow

E

Is the same as before

[Terceira Parte]

Bm

Numbers keep falling off the

E

D

Calendar s floor

Bm

We re stuck in the boxes

E D

When it s open no more

Bm

Could?ve lifted up they?re forgetting us

E D

Not recalling what they re for

Bm

I m in love with clairvoyants

E D

Cause they re out of this world

(**D F#m D Bm**)

[Quarta Parte]

F#m

I know the girls wanna dance

D

Fall away their circumstance

F#m

I know the boys wanna grow

D

Bm

Their dicks, and fix and file things

F#m

I know the girls wanna dance

D

Clairvoyants in a trance

F#m

D

I know the boys wanna grow

Bm

Their dicks and fix and file things

[Final]

F#m

Stand back when the spirit comes

Stand back when the spirit comes

D

Stand back when the spirit comes

Stand back

F#m

Stand back when the spirit comes

Stand back when the spirit comes

D
