Pearl Jam - Elderly woman behind the counter in a small town Chords

Tabber: Chris Snowdon - AKA. hombre\_de\_nieve

My first tab!!

A simple but great song - good for begginers

[Verse]

**E D9            A                    D9            A**  
I seem to recognize your face  
**E   D9   A                                    D9            A**  
Haunting familiar yet i cant seem to place it  
**E            D9                    A                                    D9                    A**  
cannot find the candle of thought to light your name  
**E   D9                    A                                    D9            A**  
lifetimes of catching up with me

[Bridge]

**B                    D9                                    B**  
all these changes taking place  
**D9    B**  
i wish id seen the place  
**D9    F#m**  
but no ones ever takin me

[Chorus]

**E                    D9                                    A            D9            A**  
hearts and thoughts they fade, fade away  
hearts and thoughts they fade, fade away

[Verse]

**E D9            A                                    D9            A**  
i swear i recognize your breath  
**E            D9                    A                                    D9            A**  
memories like finger prints are slowly raising  
**E            D9                    A                                    D9            A**  
me you wouldnt recall for im not my former  
**E            D9                    A                                    D9            A**  
its hard when your stuck upon the shelf

[Bridge]

**B**                    **D9**                    **B**  
i change by not changing at all  
**D9**                    **B**  
small town predicts my fate  
**D9**                    **F#m**  
perhaps thats what no one wants to see

[Verse]

**E**            **D9**            **A**            **D9** **A**  
i just want to scream hello  
**E** **D9**            **A**                    **D9**                    **A**  
by god its been so long never dreamed you d return  
**E**            **D9**            **A**            **D9**            **A**  
but now here you are and here i am  
**E**                    **D9**                    **A**            **D9** **A**  
hearts and thoughts they fade away

[Chorus]

**E**                    **D9**                    **A**            **D9**            **A**  
hearts and thoughts they fade, fade away  
hearts and thoughts they fade, fade away  
hearts and thoughts they fade... away  
hearts and thoughts they fade, fade away

Outro-lightly

**E**                    **D9**                    **A**            **D9**            **A**  
hearts and thoughts they fade, fade away  
hearts and thoughts they fade, fade away  
hearts and thoughts they fade, fade away
