

**Future Days**  
**Pearl Jam**

**Bb Eb**  
If I ever were to lose you  
**Bb**  
I d surely lose myself  
**Eb**  
Everything I have found dear  
**Bb**  
I ve not found by myself  
**Eb**  
Try and sometimes you ll succeed  
**Bb**  
To make this man of me  
**Eb**  
All my stolen missing parts  
**Bb**  
I ve no need for anymore

**Bb F**  
I believe  
**Eb Bb**  
And I believe cause I can see  
**F Eb**  
Our future days  
**F Bb**  
Days of you and me

**Bb Eb**  
Back when I was feeling broken  
**Bb**  
I focused on a prayer  
**Eb**  
You came deep as any ocean  
**Bb**  
Did something out there hear?  
**Eb**  
All the complexities and games  
**Bb**  
No one wins but somehow they re still played  
**Eb**  
All the missing crooked hearts  
**Bb**  
They may die but in us they live on

**Bb F**  
I believe  
**Eb Bb**  
And I believe cause I can see

**F Eb**  
Our future days  
**F Bb**  
Days of you and me

**F Gm**  
When hurricanes and cyclones raged  
**F Bb**  
When winds turned dirt to dust  
**F Gm**  
When floods they came or tides they raised  
**Eb F F7**  
Ever closer became us

**Bb Eb**  
All the promises at sundown  
**Bb**  
I've meant them like the rest  
**Eb**  
All the demons used to come round  
**Bb**  
I'm grateful now they've left  
**Eb**  
So persistent in my ways  
**Bb**  
Hey Angel I am here to stay  
**Eb**  
No resistance, no alarms  
**Bb**  
Please, this is just too good to be gone

**Bb F**  
I believe  
**Eb Bb**  
And I believe cause I can see  
**F Eb**  
Our future days  
**F Bb**  
Days of you and me  
**F Bb**  
You and me  
**Eb**  
Days...  
**F Bb**  
You and me
