I ve not found by myself

C

Try and sometimes you ll succeed

D

To make this man of me

G

All my stolen missing parts

D

I ve no need for anymore

D A

I believe

And I believe cause I can see

A G

Our future days

A I

Days of you and me

Back when I was feeling broken

D

I focused on a prayer

G

You came deep as any ocean

D

Did something out there hear?

Ċ

All the complexities and games

ח

No one wins but somehow they re still played

G

All the missing crooked hearts

ט

They may die but in us they live on

D A

I believe

G 1

And I believe cause I can see

```
Α
          G
Our future days
       A D
Days of you and me
                     Bm
When hurricanes and cyclones raged
When winds turned dirt to dust
When floods they came or tides they raised
                  Α
                     A7
Ever closer became us
D
All the promises at sundown
I ve meant them like the rest
All the demons used to come round
I m grateful now they ve left
So persistent in my ways
Hey Angel I am here to stay
No resistance, no alarms
Please, this is just too good to be gone
D A
I believe
  G
And I believe cause I can see
         G
Our future days
       Α
Days of you and me
    D
You and me
Days...
       D
```

You and me
