

**Given To Fly**  
**Pearl Jam**

[Intro] **G D**

**G**

He could have turned in...turned in..but he turned out

**D**

A bad time, nothing could save him

**G**

Alone in a corridor, waiting, locked out

**D**

He got up out of there, ran for hundreds of miles

**G**

He made it to the ocean, had a smoke in a tree

**D**

The wind rose up, set him down on his knee

**G**

A wave came crashin like a fist to the jaw

**D**

Delivered him.. wings, Hey, look at him now

**G**

Arms wide open with the sea as his floor

**D**

Oh how...ohhhh

**C9**

**C9**

**C9/B**

**G**

**G**

**D**

He is flyin oh high wide oh

**C9**

**C9**

**C9/B**

**G**

**D**

High why oh

( **G D** )

**G**

He floated back down cause he wanted to share

**D**

His key to the locks on the chains he saw everywhere

**G**

But first he was stripped, and then he was stabbed

By faceless men, well fuckers

**D**

He still stands

**G**

And he still gives his love, he just gives it away

**D**

The love he receives is the love that is saved

**G**

And sometimes is seen a strange spot in the sky

**D**
