

Given To Fly
Pearl Jam

[Intro] G D

G

He could have turned in...turned in..but he turned out

D

A bad time, nothing could save him

G

Alone in a corridor, waiting, locked out

D

He got up out of there, ran for hundreds of miles

G

He made it to the ocean, had a smoke in a tree

D

The wind rose up, set him down on his knee

G

A wave came crashin like a fist to the jaw

D

Delivered him.. wings, Hey, look at him now

G

Arms wide open with the sea as his floor

D

Oh how...ohhhh

G

He floated back down cause he wanted to share

D

His key to the locks on the chains he saw everywhere

G

But first he was stripped, and then he was stabbed

By faceless men, well fuckers

D

He still stands

G

And he still gives his love, he just gives it away

D

The love he receives is the love that is saved

G

And sometimes is seen a strange spot in the sky

D

A HUMAN BEING THAT WAS GIVEN TO FLY
