

Given To Fly
Pearl Jam

[Intro] **F# C#**

F#

He could have turned in...turned in..but he turned out

C#

A bad time, nothing could save him

F#

Alone in a corridor, waiting, locked out

C#

He got up out of there, ran for hundreds of miles

F#

He made it to the ocean, had a smoke in a tree

C#

The wind rose up, set him down on his knee

F#

A wave came crashin like a fist to the jaw

C#

Delivered him.. wings, Hey, look at him now

F#

Arms wide open with the sea as his floor

C#

Oh how...ohhhh

C#

High why oh

(**F# C#**)

F#

He floated back down cause he wanted to share

C#

His key to the locks on the chains he saw everywhere

F#

But first he was stripped, and then he was stabbed

By faceless men, well fuckers

C#

He still stands

F#

And he still gives his love, he just gives it away

C#

The love he receives is the love that is saved

F#

And sometimes is seen a strange spot in the sky

C#

A HUMAN BEING THAT WAS GIVEN TO FLY
