

Given To Fly
Pearl Jam

[Intro] A E

A

He could have turned in...turned in..but he turned out

E

A bad time, nothing could save him

A

Alone in a corridor, waiting, locked out

E

He got up out of there, ran for hundreds of miles

A

He made it to the ocean, had a smoke in a tree

E

The wind rose up, set him down on his knee

A

A wave came crashin like a fist to the jaw

E

Delivered him.. wings, Hey, look at him now

A

Arms wide open with the sea as his floor

E

Oh how...ohhhh

A

He floated back down cause he wanted to share

E

His key to the locks on the chains he saw everywhere

A

But first he was stripped, and then he was stabbed

By faceless men, well fuckers

E

He still stands

A

And he still gives his love, he just gives it away

E

The love he receives is the love that is saved

A

And sometimes is seen a strange spot in the sky

E

A HUMAN BEING THAT WAS GIVEN TO FLY
