[Intro] F Dm C Dm Bb
F Dm C Dm Bb

F Dm
Once divided
C Dm Bb
Nothing left to subtract
F Dm
Some words when spoken
C Dm Bb
Can t be taken back
F Dm
Walks on his own
C Dm Bb
With thoughts he can t help thinking
F Dm
Future s above
C Dm Bb Dm
But in the past he s slow and sinking
Bb C
Caught a bolt of lightning
Bb Dm Bb C
Cursed the day he let it go

F Bb C
Nothingman, nothingman
F Bb C
Isn t it something? Nothingman

F Dm
She once believed
C Dm Bb
In every story he had to tell
F Dm
One day she stiffened
C Dm Bb
Took the other side
F Dm
Empty stares
C Dm Bb
From each corner of a shared prison cell
F Dm
One just escapes
C Dm Bb Dm
One s left inside the well
Bb C
And he who forgets

Bb **Dm Bb C**
Will be destined to remember

F Bb C
Nothingman, nothingman
F Bb C
Isn't it something? Nothingman

Dm Bb C
Oh, she don't want him
Bb Dm
Oh, she won't feed him
Bb C Dm
After he's flown away

Bb
Oh, into the sun
C Bb
Yeah into the sun
C
Burn, burn, burn, burn

F Bb C
Nothingman, nothingman
F Bb C
Isn't it something? Nothingman
F Bb C
Nothingman, nothingman
F Bb C
Coulda been something, nothingman
