[Intro] F# Ebm C# Ebm B
F# Ebm C# Ebm B

F# Ebm
Once divided
C# Ebm B
Nothing left to subtract
F# Ebm
Some words when spoken
C# Ebm B
Can t be taken back
F# Ebm
Walks on his own
C# Ebm B
With thoughts he can t help thinking
F# Ebm
Future s above
C# Ebm B Ebm
But in the past he s slow and sinking
B C#
Caught a bolt of lightning
B Ebm B C#
Cursed the day he let it go

F# B C#
Nothingman, nothingman
F# B C#
Isn t it something? Nothingman

F# Ebm
She once believed
C# Ebm B
In every story he had to tell
F# Ebm
One day she stiffened
C# Ebm B
Took the other side
F# Ebm
Empty stares
C# Ebm B
From each corner of a shared prison cell
F# Ebm
One just escapes
C# Ebm B Ebm
One s left inside the well
B C#
And he who forgets

B Ebm B C#
Will be destined to remember

F# B C#
Nothingman, nothingman
F# B C#
Isn't it something? Nothingman

Ebm B C#
Oh, she don't want him
B Ebm
Oh, she won't feed him
B C# Ebm
After he's flown away

B
Oh, into the sun
C# B
Yeah into the sun
C#
Burn, burn, burn, burn

F# B C#
Nothingman, nothingman
