What was I thinking of when I wrote this?
Here s Patriot, pay no attention to that other song above..=)

D **G**
And the rivers shall open for the righteous (2x)
And the rivers shall open for the righteous, someday
D G D G
I went walking, with my brother
D G A G
And he wondered, oh, how I am
:
:
:
D G D G
I am a patriot, and I love my country
:
:
:
D G D G
And I ain t no communist, and I ain t no socialist
And I ain t no capitalist, and I ain t no imperialist
And I ain t no democrat, I sure ain t no republican either
D G D G D G A
I only know one party, and that is freedom, I am, I am, I am

Okey this should be more like it.....

From: sunde@fys.ku.dk (M. Sundstrxm)
Subject: Patroit, Pearl Jam

Pearl Jam, Patriot (Steve Van Zandt cover)

The sun was out. Had some money. Cruised into town. Got myself a bootleg
and some food. Went home. Played it. And there was this song on it, which
had something to it.

Martin.

D A
And the rivers shall open for the righteous (2x)
And the rivers shall open for the righteous, someday
D A D A
I went walking, with my brother

D A G A

And he wondered, oh, how I am
Said what I believe with my soul
Ain t what I see with my eyes
And there s no turning back this time

D A D A

I am a patriot, and I love my country

D A G A

Because my country is all I know
I wanna be with my family
People who understand me
I got no place else to go...I am a patriot...

I went walking, with my girlfriend
She looked so fine, I said baby what s on your mind
She said I wanna run like the lions
Released from their cages
Released from the rages burning in my soul tonight...I am a patriot...

D A D A

And I ain t no communist, and I ain t no socialist
And I ain t no capitalist, and I ain t no imperialist
And I ain t no democrat, I sure ain t no republican either

D A D A D G A

I only know one party, and that is freedom, I am, I am, I am
I am a patriot, and I love my country
Because my country is all I know

And the rivers shall open for the righteous (2x)
And the rivers shall open for the righteous, someday
Someday, someday, someday...

Feel free to write me. Sunde@fys.ku.dk
