Refrão

I couldn t breathe, holdin me down
Hand on my face, pushed to the ground
Enmity gaged, united by fear
Forced to endure what I could not forgive

Riff 1 + Riff 5:

I seem to look away
Wounds in the mirror waved

Riff 2 + Riff 6:
It wasn't my surface
most defiled

Riff refrão:
Head at your feet, fool to your crown
Fist on my plate, swallowed it down

Começa o solo:
Enmity gaged, united by fear
Tried to endure what I could not forgive
