I see a woman in the night
With a baby in her hand
Under an old street light
Near a garbage can
Now she puts the kid away,
```

```
D
and she s gone to get a hit
She hates her life,
and what she s done to it
There s one more kid
that will never go to school
Never get to fall in love,
never get to be cool.
[Chorus]
                                   Ε
Keep on rocking in the free world
                                   Е
Keep on rocking in the free world
                                   Е

[Verse]
We got a thousand points of light
For the homeless man
We got a kinder, gentler,
       D
Machine gun hand
We got department stores
     D C
and toilet paper
Got styrofoam boxes
       D
for the ozone layer
Got a man of the people,
says keep hope alive
Got fuel to burn,
got roads to drive.
[Chorus]
G D
                           C
