People sleepin in their shoes
F
But there s a warnin sign
Eb C#
on the road ahead
F
There s a lot of people sayin

[Verse]

F **Eb C#**
I see a woman in the night
F **Eb C#**
With a baby in her hand
F **Eb C#**
Under an old street light
F **Eb C#**
Near a garbage can
F
Now she puts the kid away,

Eb C#
and she s gone to get a hit

F
She hates her life,

Eb C#
and what she s done to it

F
There s one more kid

Eb C#
that will never go to school

F
Never get to fall in love,

Eb C#
never get to be cool.

[Chorus]

G# Eb C# F
Keep on rocking in the free world

[Verse]

F Eb C#
We got a thousand points of light

F Eb C#
For the homeless man

F
We got a kinder, gentler,
Eb C#

Machine gun hand

F
We got department stores

Eb C#
and toilet paper

F
Got styrofoam boxes

Eb C#
for the ozone layer

F
Got a man of the people,

Eb C#
says keep hope alive

F
Got fuel to burn,
Eb C#
got roads to drive.
