I see a woman in the night
D **C Bb**
With a baby in her hand
D **C Bb**
Under an old street light
D **C Bb**
Near a garbage can
D
Now she puts the kid away,

C **Bb**
and she s gone to get a hit

D
She hates her life,

C **Bb**
and what she s done to it

D
There s one more kid

C **Bb**
that will never go to school

D
Never get to fall in love,

C **Bb**
never get to be cool.

[Chorus]

F **C** **Bb** **D**
Keep on rocking in the free world

[Verse]

D **C** **Bb**
We got a thousand points of light

D **C** **Bb**
For the homeless man

D
We got a kinder, gentler,

C **Bb**
Machine gun hand

D
We got department stores

C **Bb**
and toilet paper

D
Got styrofoam boxes

C **Bb**
for the ozone layer

D
Got a man of the people,

C **Bb**
says keep hope alive

D
Got fuel to burn,

C **Bb**
got roads to drive.

[Chorus]

F **C** **Bb** **D**

Keep on rocking in the free world
F **C** **Bb** **D**
Keep on rocking in the free world
