

Rockin In The Free World  
Pearl Jam

[Verse]

**F#** **E D**  
There s colors on the street  
**F#** **E D**  
Red, white and blue  
**F#** **E D**  
People shufflin their feet  
**F#** **E D**  
People sleepin in their shoes  
**F#**  
But there s a warnin sign  
**E D**  
on the road ahead  
**F#**  
There s a lot of people sayin  
**E D**  
we d be better off dead  
**F#**  
Don t feel like Satan,  
**E D**  
but I am to them  
**F#**  
So I try to forget it,  
**E D**  
any way I can.

[Chorus]

**A E D F#**  
Keep on rocking in the free world  
**A E D F#**  
Keep on rocking in the free world  
**A E D F#**  
Keep on rocking in the free world  
**A E D F#**  
Keep on rocking in the free world

[Verse]

**F#** **E D**  
I see a woman in the night  
**F#** **E D**  
With a baby in her hand  
**F#** **E D**  
Under an old street light  
**F#** **E D**  
Near a garbage can  
**F#**  
Now she puts the kid away,

**E D**  
and she s gone to get a hit

**F#**

She hates her life,

**E D**  
and what she s done to it

**F#**

There s one more kid

**E D**  
that will never go to school

**F#**

Never get to fall in love,

**E D**  
never get to be cool.

[Chorus]

**A E D F#**  
Keep on rocking in the free world

**A E D F#**  
Keep on rocking in the free world

**A E D F#**  
Keep on rocking in the free world

**A E D F#**  
Keep on rocking in the free world

[Verse]

**F# E D**  
We got a thousand points of light

**F# E D**  
For the homeless man

**F#**  
We got a kinder, gentler,

**E D**  
Machine gun hand

**F#**  
We got department stores

**E D**  
and toilet paper

**F#**  
Got styrofoam boxes

**E D**  
for the ozone layer

**F#**  
Got a man of the people,

**E D**  
says keep hope alive

**F#**  
Got fuel to burn,

**E D**  
got roads to drive.

[Chorus]

**A E D F#**

Keep on rocking in the free world

**A**        **E**                                **D**        **F#**

Keep on rocking in the free world

**A**        **E**                                **D**        **F#**
