

**C**  
I feel so out of place  
**Am** **C**  
The captain s always busy  
**Am** **C**  
Being in a state of grace  
**Dm**  
But what I want to know is:

**Am**  
Are you listening out there?

**C** **Am**  
The crew they were a sorry lot  
**C** **Am**  
Blinded by their blood  
**C** **Am**  
The captain he whispered orders  
**C** **Am**  
You could not hear him above the flood  
**C** **Am**  
Then somebody said, the ocean s here,  
**C** **Am**  
But someone said no, there s more  
**C** **Am**  
And the last thing I remember  
**Dm** **G**  
Is a broken hand clinging to the captain s door

**Am**  
Has there been any news?  
**C**  
I feel so out of place  
**Am** **C**  
The captain s always busy  
**Am** **C**  
Being in a state of grace  
**Dm**  
But what I want to know is:

**Am** **Dm**  
Are you listening out there?  
**Am** **Dm**  
Are you listening out there?  
Is anybody listening?
