My woman want to be a superwoman  
And I just had to say good-bye  
Because I can t spend all my hours start to cry

But very well, I believe I know you-very well  
Wish that you knew me too-very well  
And I think I can deal with everything going through your head

Very well, think that I know you too  
Very well, wish you knew me like I know you  
Very well, but I think I can deal with everything going through your head

But Mary wants to be a superwoman  
But is that really in her head  
But I just want to live each day to love her  
for what she is

Mary wants to be another movie star  
But is that really in her mind  
And all the things she wants to be  
She needs to leave behind

But very well, I believe I know you-very well  
Wish that you knew me too-very well  
And I think I can deal with everything going through your head

Very well, and I think I can face-very well  
Wish that you knew me too-very well  
And I think I can cope with everything going through your head

Very well, I believe I know you-very well  
Wish that you knew me too-very well  
And I think I can deal with everything going through your head

Very well, and I think I can face-very well  
Wish that you knew me too-very well  
And I think I can cope with everything going through your head
