[Intro]

E Am Am7 x2

[Chorus]

E
At least in my dreams
Am Am7
when I m sleeping it seems
E Am Am7 C#m
that the needle is full endlessly, but you keep on waking me.

B F#m
I m almost there, it s on the tip of my tongue
A Am E Am Am7
and it never goes away, it never comes to stay.

E
The chances are slight
Am Am7
that I won t shoot up tonight,
E Am Am7 C#m
but the sensation that s waiting beneath is a kick in the teeth.

B F#m
I m almost there, it s on the tip of my tongue
A Am C#m
and it never goes away, it never comes to stay.

B F#m
I m almost there, it s on the tip of my tongue
A Am C#m B F#m
and it never goes away, it never comes to stay,
A Am C#m
and it never goes away.
