This is a beautiful song. Fairly easy to. I m about sure this is 99% accurate, you can fiddle with 7ths and what not but just have fun with and sing and it with feeling.

BTW don t forget that Am in the instrumental.

Standard Tuning

Chord Shapes:

**G D Em7 A Am B Asus4**

```
--3---3---0---0---0---2---0-----  
--3---2---3---2---1---2---3-----  
--0---3---0---2---2---4---2-----  
--0---0---2---2---2---4---2-----  
--2---x---2---0---0---2---0-----  
--3---x---0---x---x---x---x-----
```

Ok enough of that bullshit, let s get going:

**D A Em7**

the poison makes its way through my body slowly

**D A Em7**

to the pleasure centers of my brain

**D A Em7 G**

if you were here i would admit that i m an asshole

**Em7 D Em7 G Em7 D A Asus4**

**A**

but now it s over and i can t stay sober though it isn t like i ve tried

Instrumental

**D | Am | Em7 x2**

**D | Am | Em7 G | Em7 | D | A Asus4 A |**

D                    A                    Em7  
on the front porch or on an airplane on vacation

D                    A                    Em7  
or out for dinner in a nearby town

D                    A\*\*                    Em7                    G  
i was so proud just to have you sitting with me

Em7                    D                    A                    G  
but now it s over and i can t stay sober

Em7                    D                    A                    G  
pour and swallow follow one drink with another

Em7                    D                    A                    G  
i ll keep on til you agree to come back over

Em7                    D                    A                    Asus4                    A  
or until there are x s on my eyes

B                    A                    G                    D  
my old man always swore that hell would have no flame

B                    A                    G                    Em7                    D  
just a front row seat to watch you true love pack her things and drive away

There Finished. Now wasn t that easy.
