

**Skinny Acoustic**  
**Pegasus Bridge**

These chords are not 100% accurate but I find they sound okay to play and sing along with. The song is pretty simple to play once you get the timings/strumming patterns mastered! Please comment any corrections! Hope you enjoy :)

**G**

I am skinny, and i am faithful to the last  
But I ll play games with you like a hormone in a high school class

**Em** **D** **C**

And i can be thoughtful, I can be awful when i want to be

**Em** **D** **C**

You said if we never grow up, then we ll never grow old

**D**

You are slender, oh so slender

**C**

And I like it

**D**

**C**

Skinny like a model, with a little something extra in her eyes

**Em** **D**

And I ve got some time to kill

**C**

If your free and your willing

**Em**

**D**

But if you never show up, then you ll never know

**C** **Em D** (into chorus)

I want what you want

Chorus

**C** **Em D**

We re two souls, in tango

**C** **Em D**

But we re too strong, we re too strong

**C**

Cause I want what you want

**Em** **D** **C**

But you just give me something i need

**D**

**C**

You are talking, I m sat talking at the other end

**D**

You say you might drop by, if i don t mind

**C**

No, I won't mind

**Em**

Now you're coming over

**D**

look over your shoulder

**C**

Where would you rather be?

**Em**

**D**

And if you never show up then you'll never know

**C**

**Em D**

That I want what you want

Repeat Chorus x2
