

Clever Girls Like Clever Boys Much More Than Clever Boys Like Clever Girls
Pelle Carlberg

A B D A

A B
You should have listened to what mama said
D A
And walked away with someone else instead
A B
You should have listened to what grandma said
D A
And married someone more like Fred

A B D A

A B
You should have listened to your inner voice
D A
While you had time and still a choice
A B D
You should have reached for the emergency brake
D A
Before it was too late

B D

A
You see the clever girl looks for a clever boy
C#m F#m
To another extent than the clever boy
D(?)
Will ever look for a mate
D
Who goes to round-table debates
A
And runs a little bit late
E
When she does work for the state

A
You see the clever girls look for a clever boys
C#m F#m
And then the clever boys seem to have a different choice
D(?)
They want a good-looking chick
D
That likes to blow them away

A

Someone who laughs at all the

E

A

Funny little things they say
