Crush Pendulum Em I was running out into the cold light Wondering where to go CD Em To run away without you Em All my fear is coming home Em And it s ripped out from the soul C D You can t be me Em D I will become you tonight \mathbf{Em} I was wandering under black skies Watching at what is mine CD No control left to lose Well, I thought that it wouldn t face me Em But I m worrying like a child C D I feel so guilty Em D I ll make it up to you tonight D Pictures that I ve been dreaming are coming down C D Em They re changing my future

Em

D

Returning to the future

Visions I had buried underground

I was breaking out of my own skin Em Choking upon release C D I m in no state to judge you \mathbf{Em} Scratching itches best left alone Chasing memories I used to own Em D I can t wait till this is over tonight C D Em Pictures that I ve been dreaming are coming down C D Em They re changing my future D Visions I had buried underground Em Returning to the future The nightmares I ve been having have arrived D They re changing my future D $\mathbf{E}\mathbf{m}$ The signs of my creation at my door CD Εm How could you do this to her?
