

**Encoder
Pendulum**

Pendulum - Encoder

Key of **A#**, then **C#**
Ear-transcribed on ukulele by Neil Killer.

INTRO:

F - F - Gm... [x4]

VERSE 1:

Gm (A#) **D#**
You couldn't even show yourself out
Gm (A#) **D#**
You were so held up by your thoughts
Gm (A#) **D#**
Along the way we got divided
Gm (A#) **D#**
And I'm left showing you the door

CHORUS 1:

F
You couldn't look me in the eyes
A#
So I'll dim the lights
F **A#**
When you take me, out on your side
F **A#**
We're spinning, out of sight
F **A#**
Believe me, I'm on your side

VERSE 2:

Gm (A#) **D#**
It took so long for me to speak up
Gm (A#) **D#**
It was the hardest thing to say
Gm (A#) **D#**
Taken right up to the entrance
Gm (A#) **D#**
At the last minute turned away

CHORUS 2:

F
Just can't look you in the eyes
A#
So let's dim the lights
F **A#**

Get a case out, pack up your pride

F **A#**

It's over; We're out of time

F **A#**

Delete me, I'm on your side

SOLO:

D# - F - Gm...

Dm - D# - A#...

F...

[Fades out, then fades in with new key]

Fm - C# - G#...

Fm - C# - Fm-G#...

BRIDGE:

Fm **C#** **G#**

For everything that could have been

Fm **C#** **G#**

Well at least we took the ride

Fm **C#** **G#**

There's no relief in bitterness

Fm **C#** **G#**

May as well let it die

OUTRO:

Fm - C# - G#...

Fm - C# - Fm-G#...

[4x loud, then 4x quietly fading]
