Pendulum - Encoder

Key of **B**, then **D**

Ear-transcribed on ukulele by Neil Killer.

INTRO:

F# - F# - G#m... [x4]

VERSE 1:

G#m (B) **E**
You couldn't even show yourself out
G#m (B) **E**
You were so held up by your thoughts
G#m (B) **E**
Along the way we got divided
G#m (B) **E**
And I'm left showing you the door

CHORUS 1:

F#
You couldn't look me in the eyes
B
So I'll dim the lights
F# **B**
When you take me, out on your side
F# **B**
We're spinning, out of sight
F# **B**
Believe me, I'm on your side

VERSE 2:

G#m (B) **E**
It took so long for me to speak up
G#m (B) **E**
It was the hardest thing to say
G#m (B) **E**
Taken right up to the entrance
G#m (B) **E**
At the last minute turned away

CHORUS 2:

F#
Just can't look you in the eyes
B
So let's dim the lights
F# **B**

Get a case out, pack up your pride

F#

B

It s over; We re out of time

F#

B

Delete me, I m on your side

SOLO:

E - F# - G#m...

Ebm - E - B...

F#...

[Fades out, then fades in with new key]

F#m - D - A...

F#m - D - F#m-A...

BRIDGE:

F#m D A

For everything that could have been

F#m D A

Well at least we took the ride

F#m D A

There s no relief in bitterness

F#m D A

May as well let it die

OUTRO:

F#m - D - A...

F#m - D - F#m-A...

[4x loud, then 4x quietly fading]
