Pendulum

Pendulum - Encoder

Key of **G#**, then **B**
Ear-transcribed on ukulele by Neil Killer.

INTRO:

Eb - **Eb** - **Fm**... [x4]

VERSE 1:

Fm (G#) **C#**
You couldn't even show yourself out
Fm (G#) **C#**
You were so held up by your thoughts
Fm (G#) **C#**
Along the way we got divided
Fm (G#) **C#**
And I'm left showing you the door

CHORUS 1:

Eb
You couldn't look me in the eyes
G#
So I'll dim the lights
Eb **G#**
When you take me, out on your side
Eb **G#**
We're spinning, out of sight
Eb **G#**
Believe me, I'm on your side

VERSE 2:

Fm (G#) **C#**
It took so long for me to speak up
Fm (G#) **C#**
It was the hardest thing to say
Fm (G#) **C#**
Taken right up to the entrance
Fm (G#) **C#**
At the last minute turned away

CHORUS 2:

Eb
Just can't look you in the eyes
G#
So let's dim the lights
Eb **G#**

Get a case out, pack up your pride

Eb

G#

It s over; We re out of time

Eb

G#

Delete me, I m on your side

SOLO:

C# - Eb - Fm...

Cm - C# - G#...

Eb...

[Fades out, then fades in with new key]

Ebm - B - F#...

Ebm - B - Ebm-F#...

BRIDGE:

Ebm B F#

For everything that could have been

Ebm B F#

Well at least we took the ride

Ebm B F#

There s no relief in bitterness

Ebm B F#

May as well let it die

OUTRO:

Ebm - B - F#...

Ebm - B - Ebm-F#...

[4x loud, then 4x quietly fading]
