Pendulum - Encoder

-----

Key of **A**, then **C**

Ear-transcribed on ukulele by Neil Killer.

-----

INTRO:

**E - E - F#m...** [x4]

VERSE 1:

**F#m** (A) D  
You couldn't even show yourself out  
**F#m** (A) D  
You were so held up by your thoughts  
**F#m** (A) D  
Along the way we got divided  
**F#m** (A) D  
And I'm left showing you the door

CHORUS 1:

E  
You couldn't look me in the eyes  
A  
So I'll dim the lights  
E A  
When you take me, out on your side  
E A  
We're spinning, out of sight  
E A  
Believe me, I'm on your side

VERSE 2:

**F#m** (A) D  
It took so long for me to speak up  
**F#m** (A) D  
It was the hardest thing to say  
**F#m** (A) D  
Taken right up to the entrance  
**F#m** (A) D  
At the last minute turned away

CHORUS 2:

E  
Just can't look you in the eyes  
A  
So let's dim the lights  
E A

Get a case out, pack up your pride

**E**

**A**

It's over; We're out of time

**E**

**A**

Delete me, I'm on your side

SOLO:

**D - E - F#m...**

**C#m - D - A...**

**E...**

[Fades out, then fades in with new key]

**Em - C - G...**

**Em - C - Em-G...**

BRIDGE:

**Em C**

**G**

For everything that could have been

**Em C**

**G**

Well at least we took the ride

**Em C**

**G**

There's no relief in bitterness

**Em C**

**G**

May as well let it die

OUTRO:

**Em - C - G...**

**Em - C - Em-G...**

[4x loud, then 4x quietly fading]
