

**Watercolour
Pendulum**

I thought the other chords are a bit of a stretch, so u can use these if ur not as much as an expert on guitar! :D

[CAPO 1]

Em **G D**
When I m falling down
Em **G D**
Will you pick me up again?
Em **G D**
When I m too far gone
Em **G D**
Dead in the eyes of my friends

Em -----
Will you, take me out of here?

When I m staring down the barrel

When I m blinded by the lights

When I can t see your face

Take me out of here (x3)
 C
Take me out of here

Em
All I believe, and all I ve known
 C **Em**
Are being taken from me back at home

Yeah do your worst, when worlds collide
 C **Em**
Let their fear collapse, bring no surprise
 C
Take me out of here

Em -----
Feed the fire, break your vision

Throw your fists up, come on with me (4x)

C **D** **Em**
Just stay where you are.

D **C**
Let your fear subside

D **Em**
Just stay where you are

D
If there s nothing to hide
