Subject: CRD: Don t Dictate (Penetration)

This song has certainly not been requested, but it is a great song anyway so I decided to post it.
Another reason is that I didn t quite get all the lyrics and there s probably errors so if anyone knows the correct lyrics, please post!
Also if you think there s something wrong with the chords (for example, I m not sure whether E chords should be major or minor), tell it!
And here we go:

DON T DICTATE by Penetration
