[Verse 1]

C

Imagine being dead with a bullet in your head

C

Would you want a second chance?

Am

C

Face down in a cage, with both your wrists slit

G

Would you think of the life you ve had?

Am

Clutching at your chest in a cardiac arrest

C

Would it all make sense to you?

Am

C

You finally realize it, hit you right between the eyes

G

Do you know what you wanna do?

C

G

Do you know what you wanna do?

C

D

When you think of the life you ve had

Am

Do you want a second chance?

[Chorus]

C

When you think of all the ways you could die

D

Does it make you wanna try?

C

When you re at the end of your rope

D

Do you wanna give up hope?

Am

C

When you hear that graveyard call

F

D

Does it make you wanna go for it all?

D

Then go for it all

[Verse 2]

C

Imagine you re inside of a white chalk line

C

Would you finally wanna live?

Am

Your whole life passes by in a flash before your eyes

C

G

Did you give all that you got to give?

Am

C

You're staring down death and you take your last breath

G

Am

What would you wish that you could do?

Am

When you know your number's up did you really do enough?

G

Would you finally see the truth?

C
