uhm.. hmm.. thats it... have fun with it... as usual i didn t tab the  
rythm out correctly but hey... its hard to show the rythm using  
tablature... uhm... theres been alot of people sending requests to me  
which is cool and feel free to keep them coming but don t send anymore  
off their albums right now (i have alot of time on my hand at the moment  
okay...) uhm... lemme see... ( i hope that request part doesn t sound  
egotistical... i just like figuring songs out for people...)
